TODD MICHAEL SCHULTZ

vs.

AFFIDAVIT IN SUPPORT OF
EMERGENCY TRO AGAINST
MICHAEL C. THOMPSON AND
GREGORY HOLMES

DEFENDANTS

MICHAEL C. THOMPSON
GREGORY R. HOLMES
YOUTUBE LLC

MEMORANDUM

1) Defendant Thompson continues to harass plaintiff Schultz incessantly. Last night around 12:41 AM he messaged me "Hi Bret, Sorry Todd is ass@d." Something similar to this from an account called LucyPur10k (roughly). He retracted the comment using YouTubes messaging tools. That he has been allowed to continue this behavior with no will from Google. Why does Google not have the capacity to protect peaceful assembly on its platform? Thompson and Holmes' actions are their own, but YouTube is a very suspicious actor in this situation and clearly has no functional

moderation functionality. They cannot and will not prevent Thompson from continuously harassing my live chat. I have 5 games in iOS store. I have 50 or so songs available on Spotify. I have written a novel. Thompson and Holmes are liable for the damage done to my reputation as they engaged in a years long harassment campaign, as I have been telling the courts. I hope this additional information will grant the TRO requested Ex Parte. It is not possible for me to serve Thompson and Holmes. Every interaction is an attack and as Thompson has also claimed to possess 80 gb of video and material on me. This is a bad indication and it seems to support all of the claims I have asserted since May in the previous suit (2:23-03452-JAK-MRW). I have been pleading for help from every agency. He persists stalking addictively and obsessively. A restraining order is required despite any outcome. He has engaged in defamation all over X spaces now, as well, recruiting other individuals to help him. A woman from the UK (alias Lanark107) came up to a space and iterated Thompson and Holmes' talking points. Thompson, Holmes and their activities must be investigated and point towards something that manifests as human trafficking. He is out of control, legally illiterate and I believe mentally deeply unwell. A restraining order would give me greater capacity to pursue what will be seen as an underdog campaign for the highest office in the land. This would be the true interpretation to section 230. As of now, YouTube has deleted Thompson's channels as of last month - likely due to violation of terms of service. Why did they not cooperate at any juncture to stop Mr. Thompson till now? If they admit the accounts were closed due to ToS violations, then Google is much more likely to have both lied in the previous case from May, and to have perjured themselves or obfuscated strong evidence with a human life in the balance - my own.

I declare under penalty of perjury that everything stated above is true to the best of my knowledge.
